the 1990s, the number of people in the UK who are aged 65 and over has increased by 1.5 million (1990–1999) and is projected to increase by a further 1.5 million by 2010 (Office of National Statistics 2000).

There is a growing awareness of the need to develop strategies to meet the needs of the ageing population. The Department of Health (2000) has identified the need to develop a new paradigm of care for the ageing population, one that is based on the concept of 'active ageing'. This paradigm is based on the idea that older people should be able to live independently, participate in social and community activities, and maintain a high level of physical and mental health. The Department of Health (2000) has identified a number of key areas for action, including: (1) promoting healthy ageing; (2) supporting independence; (3) promoting social and community participation; and (4) ensuring access to services and resources.

The Department of Health (2000) has also identified a number of key areas for research, including: (1) the role of the family in supporting older people; (2) the role of the community in supporting older people; (3) the role of the voluntary sector in supporting older people; and (4) the role of the public sector in supporting older people. The Department of Health (2000) has also identified a number of key areas for policy, including: (1) the need to develop a new paradigm of care for the ageing population; (2) the need to develop a new paradigm of care for the ageing population; and (3) the need to develop a new paradigm of care for the ageing population.

The Department of Health (2000) has also identified a number of key areas for practice, including: (1) the need to develop a new paradigm of care for the ageing population; (2) the need to develop a new paradigm of care for the ageing population; and (3) the need to develop a new paradigm of care for the ageing population. Presenting HHS Students

From the outside, it looks like any other school. But after one enters the halls of HHS, it was obvious that it is more than a building with kids who come to get educated.

Yes, HHS has students, but they were not only students. They were people who contributed to making the school a place where they not only had to be, but also wanted to be.

Students weren't at HHS only during school hours. Dedicated students spent many overtime hours at

HHS, whether it was practicing for a game, working out, practicing for band, academic or club meetings, or just the social atmosphere.

Even if it meant getting out below zero weather with three feet of snow on the ground to support the basketball team, or giving up Saturdays to practice for an upcoming event—HHS students did it.

Years later, when students look back on their high school days, they will not only think of HHS as a place where they learned how to

speak a foreign language or to do algebra. They will also think of it as the place where they were members of a club, a sports team, the band, or any other organization, or, most of all, as a member of the great HHS student body.

HHS created many memories that students will hold on to, but these memories never could have been created without the students themselves.

Homecoming

Casko named Mr. Football

School spirit set in the week of October 9-13. Monday started spirit week with college day in which most students wore sweatshirts or t-shirts. On Tuesday, friends and couples dressed alike for twin day. Wednesday, students took a step back in time to hippie day where students wore bandanas, bell bottoms, and peace symbols. Thursday, HHS tried the toga day where students looked fascinating in sheets and Friday was the traditional purple and gold day.

During the seventh hour on Friday, students were released from their classrooms to the gymnasium for a pep session. The candidates for Homecoming queen and princesses were introduced. They were

as follows: Seniors Kelly Templin, Susan Reisinger and Kerri Noble, Juniors Tammy Rushing, Jessica Hunt and Michelle Moon, Sophomores Michelle Feczko, Kristen Templin and Amy Shy, and Freshmen Heather Blossom, Connie Goldsworthy and Amey Dickson. Due to a lack of participation, the king and prince competition for guys was eliminated. The cheerleaders performed their usual dance and helped the student body cheer on the Bricks. Students were entertained when Mr. Jack Leach, assistant principal, and Mr. Les Kistler, math and science teacher, received a pie in their faces after a week long vote by the student body. Various titles were named for all fall sports and Joe Casko was

named Mr. Football but being to shy he did not give a speech. Booster club members painted the windows downtown and decorated the players lockers and houses.

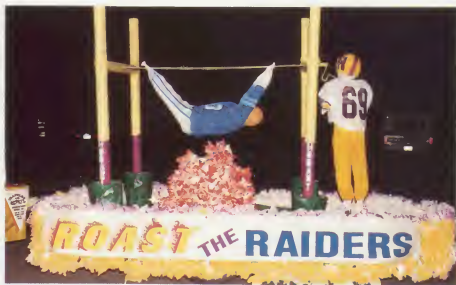

After school, the homecoming parade started at the high school at 3:45.

During the halftime festivities, Senior Kelly Templin was named Homecoming Queen. Her court consisted of Junior Jessica Hunt, Sophomore Kristen Templin, and Freshmen Amey Dickson. The Sophomore float, "Roast the Raiders" was announced as the winner of the float competition.

"Footloose"

What year would be complete without the dances at the high school? On Friday nights, there were the sock hops after the games. Win or lose, we were still there having a good time.

Who could forget those special dances that held a lot of memories? Students attended the Back-to-School dance, homecoming dances, halloween dance, state championship dance, the semi formal, Valentine's dance, the SADD dance, the benefit dance for Brian Frank, Prom, and Aloha, Seniors. A lot of hard and dedicated work came from various students, clubs and organizations, and the chaperones. These people helped make these dances memorable and enjoyable for all those who attended.

Class 4A Champions

Bricks Bring Victory

Home From The Dome

Hobart's dream came true for everyone November 25 with the AAAA state championship win over the Franklin Central Flashes, 17-7. It was the seventh try for the Brickies who had been down to the state finals in 1979, 1980, 1982, 1984, 1985, and a win in 1988.

The Brickies rebuilt the offensive and defensive lines this season, lost the regular-season home-opener, trailed at halftime in its second game, converted star wide receiver Rick Knight into a quarterback, and lost its leading rusher, Malcom Johnson,

early in the playoffs.

During the playoffs, Hobart defeated Gary Wirt 34-0 and South Bend Washington 21-0 in sectionals. The Brickies became sectional champs with a win over South Bend Clay 42-14. With a Regional win over Andean 14-7, Hobart advanced to Semistate defeating Lafayette Harrison 27-0.

The championship game was tied 7-7 at the half. Knight threw a 34-yard touchdown pass to tight end Joe Casco, but the Flashes got revenge with their one-yard quarterback sneak.

Junior running back Ryan Turley marched through the Franklin Central defense with runs of seven yards, six yards and 11 yards on a misdirection play. Turley took hits and broke through tackles as he carried the ball to the 10-yard line. Early in the fourth quarter, Turley dodged his defenders and managed to score the game's last touchdown.

Sophomore Bill Manolopoulos ended the scoring with a record-setting 45-yard field goal with 1:39 to play. The previous record was 44, set last year by Class 3A.

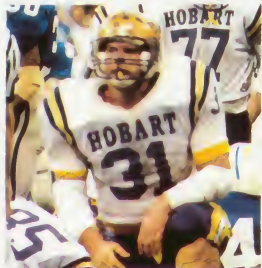

This familiar sign greeted all the Brickie fans as they walked in the dome.

Other queen and princess candidates were Seniors Kelly Luedtke, and Kristen Willie, Juniors Joy Moore and Carole Forrest, Sophomores Donna Soria and Stacey Dalton, and Freshman Stephanie Thomason and Erica Schest.

At the pep session during seventh hour on Friday, Senior Donn Ostrander was named Mr. Basketball by the Booster Club. Earlier in the week, Booster Club decorated lockers while Student Council held a sign decorating party for each grade level to decorate its side of the gym. Also, students showed their spirit by dressing up for Flannel Shirt Day, Clash Day, Backwards Day, and Spirit Day. Friday night, Student Council and Booster Club held a dance in the gym.

Hicks retires from coaching

Mr. Jerry Hicks, the newly-appointed assistant athletic director, retired from his position as offensive coordinator. He helped coach the varsity football team for 30 years and win its way to the dome.

Now that Mr. Hicks will no longer be coaching, he said he will keep busy mainly with his new job. He also stated he will help various coaches and will still be involved in athletics, but in a different way.

When asked if he would ever return to coaching, Mr. Hicks replied, "Well, you never know what the future holds. After 30 years as a coach, I would like to say no, that I know I will not come back, but I don't know."

HHS celebrates geography week

The week of November 12-18 dealt with "Geography Key to our Environment" in which the HHS faculty and students participated.

The cafeteria highlighted a different country each day with their menu; Monday was Tacos (Mexico), Tuesday had Chocolate Cake (German), Wednesday was Spaghetti (Italy) and Thursday was Ham and Irish potatoes.

The foreign language department set up the display case by the Art Room and donated foreign flags which were hung up in the library. Flags were also made by Mrs. Moore's English class which were hung up in the hallways.

The geography classes set up a display in three different display cases throughout the school. These featured items from other countries that students brought in, posters about geographical locations or envi-

ronmental issues, depictions of countries or different landforms made out of a play-doh recipe.

All Psychology and Geography classes spent one day playing Global Pursuit.

The Geography classes also made up a trivia contest with two different questions in several classrooms. There were a total of 26 questions. Faculty, staff, and students alike could participate. The winners (with the most correct responses) were given coupons from various fast food restaurants in the area: Frank's for the Mem-

ories, Burger King and Schoops. This event was the 3rd national Geography Awareness Week. It was created by a joint resolution of Congress to heighten public awareness of geography across the nation.

According to Mrs. Barbara Lovrich, "It was a rewarding experience. It was a lot of work and the cooperation I received from my Geography classes and other faculty members was wonderful. I think everyone enjoyed it and learned some Geography, too!"

Shots follow outbreak

Measles is the most serious of childhood diseases. It causes a rash, high fever, cough, runny nose, and watery eyes lasting from one to two weeks. Sometimes it is more serious, causing ear infections or pneumonia. One child out of every 1,000 who get measles has an inflammation of the brain (encephalitis). This can lead to convulsions, deafness, or mental retardation. A child can die from this terrible disease. Because there was an outbreak of measles in Chicago, a vaccination free of charge was given to students at Hobart High School. On November 16, 1989, approximately 450 students were vaccinated.

The Indiana State Board of Health came to school so more students were able to receive the airgun shot. The school nurse Mrs. Pam Cunningham went through each student's health record and if they had not had a measles shot since January 1, 1981, they needed a new one.

Some students chose to go to their own physician for their vaccination. Several teachers born after 1957 also received theirs.

According to Mrs. Cunningham, 11 volunteers, one nurse and three Board of Health members handled the immunization.

Traffic stops

Something new was added in front of Hobart High School. A stop sign was placed on the corner of 8th Street and Lake Park Avenue to slow down traffic. According to Principal William Cope, "The stop sign is also there to help the buses enter through the pool parking lot."

Earth Day Celebrated by HHS students

HHS joined in the celebration of the twentieth anniversary of Earth Day on April 22, 1990. It was the largest organized demonstration in history, and now is celebrated yearly to make society aware of environmental problems. Students wore Earth Day shirts and green on April 20 as part of the celebration.

In preparation for Earth Day, Miss Gail Schrader's honors biology class completed posters for environmental showcases. They also prepared boxes for each class in the high school for recycling paper,

and they began a weekly pick-up of the papers each Thursday afternoon. In addition, the students prepared a poster contest for the elementary schools. Their were winners from each grade and an overall one. The first prize was a t-shirt dealing with environmental day, the second prize was a stuffed whale, and the third prize was an endangered species card game. The biology class also performed two plays and a rap song about the environment. Honors biology did a project dealing with the environment. It was an in depth study about envi-

ronmental issues within the school corporation. The class carried out an audit of the schools, which involved obtaining information on such areas as water use, energy use, pesticides, etc.

The fourteen sophomore students who were involved were: Sara Brandenburg, Jake Irwin, Kristen Templin, Michelle Fezko, Amy Shy, Brian Fattore, David Niksich, Mike Jewett, Andi Balmer, Kari Wilkinson, Julie Poole, Tracy Bachelder, Amy Patterson, and Jeff Herrick.

Jr. Miss Pageant Cancelled

When Jaycee Jay Harrigan was contacted about the cancellation of the 1989 Junior Miss Pageant, he replied that he did not have enough applications. He said eight to nine applications were needed for the pageant to take place. As of November 2, 1989, only five senior girls had turned one in to the Jaycees. After the rumor started that the pageant was going to be cancelled, three more se-

nior girls turned in applications. This brought the total number of girls to eight. When Harrigan was questioned the second time about the pageant, he changed the number of contestants needed to 10 to 12.

This was the second time in the pageant's 19-year history that the pageant has been cancelled. The first time was in 1987.

Peer Counseling Begins

The Peer Facilitator Program was developed through the joint efforts of Student Council, SIP and the Guidance Office. The program, consisting of four peer facilitators was established to aid students. The facilitators serve as student counselors and tutors. They also help new students with orientation and adjustment. The 1989-90 peer facilitators were: Seniors Jason Cicillian and Lori Sadelack and Juniors Michelle Murdock and Shelby Ritz. The coordinator for this program was Ms. Debbie Steller, Guidance Counselor.

Seniors must attend 180 days

When the seniors returned to school they were greeted by the new law stating that seniors must attend the whole 180 days of school required.

Principal William Cope stated that the State Department of Education had granted a one year waiver which covered only the school year of 1988-89. This allowed the Senior Class of 1989 to be released a week early.

The students during the school year of 1989-90 had to attend the 180 days because the State Department of Education did not grant a waiver for the 1989-90 year.

Mr. Cope said research has shown that more time provided for education does increase student outcomes. If this

holds true for Indiana, he thinks this is a good idea.

He added that many states require 185-190 days of mandatory school attendance per year.

New club added

Something new and unique was added to HHS organizations. The Bicycling Club, sponsored by Mr. James Fisher, proved

to work out great and have a lot of members. They rode every couple weeks from five to twenty-five miles, to places like Deep River Park, Lakewood Park etc. Junior Dana Brad served as President while Junior Laura Stack was Vice-President. Treasurer was held by Junior Lee Ann Davies and Senior Michelle Walker was Secretary. According to Mr Fisher, "Their major accomplishment for the year, was getting the club started because it took a lot of hard work."

Prom '90

"THIS MAGIC MOMENT"

The Junior class sponsored "This Magic Moment" on April 27, 1990. This was the second year in a row that Prom was not held in May.

For the first time, Prom was held at the Greek Hall in Merrillville from 5:30 to 11:00, and the after-prom was held from 11:30 to 1:30. The after-prom resulted in the winning of a "Prom Promise," an agreement signed by junior and senior prom goers not to drink and drive during prom weekend, especially Prom night. Hobart High School received \$300.00 to be used for a D. J. or prom or post-prom expenses. HHS had the largest percent of students to sign. Music was played by "Bang" and by Scotty J.

Graduation

"WE'RE OUTTA HERE"

The Senior Class of '90 gathered together on the day they all looked forward to for the last time. On Thursday June 7, 1990, at 7:30 p.m., students, friends and relatives awaited anxiously in the auditorium for commencement exercises.

The playing of the processional by the HHS band indicated that the students were to line up in the halls. After entering the auditorium the invocation was given by Jason Cicillian, and the guests were then welcomed by Class President Kelly Tem-

plin. Remarks were made to the graduates by Rev. Merle Bartels. The Salutatorian Julianne Lute and Valedictorian James Lake addressed the class, and comments were made by Mrs. Marilyn Holscher, school board president. School Mayor, Roberto Gallardo spoke about class activities, and Principal William J. Cope presented the Class of '90 to Supt. Eric Witherspoon who accepted the class for granting diplomas.

Diplomas were presented to the grad-

uates by school board members, Mr. E. Randal McEuen and Dr. V. Eugene Reisinger, who was assisted by assistant principals, Mr. Jack Leach and Miss Sherry Williams. Kelly Templin then led the class in turning their tassels.

Before the exercises ended, the concert choir sang the Alma Mater and Senior Kerri Noble gave the benediction, and the alumni marched out of the auditorium and into their homerooms to receive their real diplomas.

Seniors

for this moment to say farewell to Hobart High School. It is time to go out and finally be on our own. No more rules, punishment, or curfews from our loving parents. Now they are there to support all our future decisions.

We are deciding what to do now that our twelve years of schooling are finally finished. Some of us will find our way to college; others may go to the military. Many may just continue with their jobs, and a few will even marry their longtime sweetheart.

The beginning of the end started when the seniors gathered together

and we were beginning to realize how close the end actually was. The cap and gown orders brought graduation even closer. We worked hard for it, waited for what seemed an eternity and prepared the day to perfection. Graduation approached the Class of 1990.

Now came all the emotions: The sadness of saying goodbye to teachers who helped us through it all. The fear of leaving what was familiar to us and going into a strange world and the joy of finally making it and being able to say a final farewell.

others are ready to leave; but there is one thing we all have and that is the memories we shared from the past four years.

We will meet again at our class reunions to share the memories, but until then, the seniors of '90 finally say farewell.

The Class of 1990 class flower was the yellow tea rose, while maroon and navy blue were the class colors. The class motto was "To have a friend, be one."

Senior Privileges

Unfortunately, the class of '90 was not allowed as many privileges as the following years. This year however, S. A. D. D. still sponsored the Lock-In. Only seniors and S. A. D. D. members and their one guest could attend.

The Math Club still hosted the Aloha Seniors Dance allowing the seniors to spend a final time with their classmates.

In December, the HHS band held a Christmas concert during the 6th hour for seniors only.

During the week of May 21st, seniors had their final week by being able to dress up. On Monday, they wore their favorite college jersey. On Tuesday, they dressed as the opposite sex and Wednesday was Future Career Day. On Thursday, May 24th, seniors participated with an underclassman for slave day and Friday, seniors were allowed Camera Day.

During that week, seniors were allowed to leave for lunch one minute early. The cafeteria staff served ice cream and the class had a picnic on the administration lawn during all three lunch hours.

Seniors Alan Beasey and Russ Kietzman win the wheelbarrow race at the lock-in.

Senior Sue Moon shows some craziness at the Aloha Seniors Dance.

Senior Megan Stewart shows her slave Sophomore Abi Joseph what Slave Day really means.

Juniors

As the 1990 school year came to an end, the Junior class realized their senior year was approaching and some quick, important decisions had to be made about their future.

The Junior class worked hard to present the 1990 prom, "This Magic Moment."

Jessica Hunt was named Football Homecoming princess and Kirsten Bowles was named Basketball Homecoming princess.

Class officers were President, Brian Butler; Vice-president, Amy Campbell; Secretary, Stacy Hood and Treasurer, Holly Hiestand.

The class colors are blue and gold and the class flower is the red rose. The class motto is, "Build for character, not for fame."

Sophomores

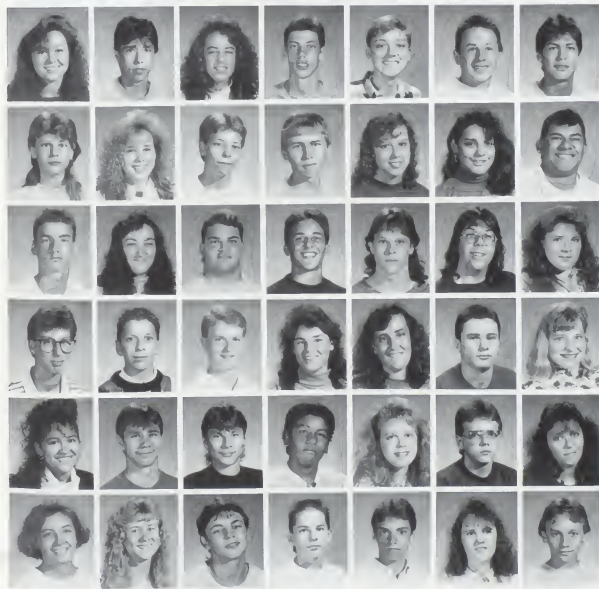

As sophomores, the class of 1992 was able to enjoy the school year, instead of feeling burdened by the fears and anxiety that go along with the freshman year. Ridicule was replaced by acceptance because the sophomores had "learned the ropes."

Kristen Templin was named Football Homecoming Princess, and Shannon Camplan was named Basketball Princess.

The class colors are red and white, while the class flower is the tea rose. The class motto is "Labor Conquers All."

Freshmen

Members of the Freshmen class went through many changes as they entered HHS, as do most freshmen. They experienced harder classes, a larger atmosphere, and "bullying" from the upperclassmen.

Amey Dickson was crowned Football Homecoming Princess. Corrie Coady was crowned Basketball Homecoming Princess.

Natalie Sistanich was President, Corrie Coady, Vice-President, Colleen Shaply, Secretary, and Wendy Swantko, Treasurer.

The class flower is the red carnation and the colors are crimson and gray. The class motto is "Try, trust, triumph".

Three awards given at the Media Fair

Radio and television productions classes were taught by Mr David Barancyk. The class was entertaining and very educational for students who wish to go on with this for a career. Both production classes wrote, produced, and edited three videos that were entered in the 1990 Media Fair. Taking first runner-up was "Where's Mr Washington," second runner-up was "Asteroid Trips," and third runner-up was "A Tribute to TV Production." Both the a. m. and p. m. students produced a weekly cable program called "This Week in Hobart School," aired by US Cable on Thursday nights. Each week, they interview newsmakers from the Hobart School System.

Students video taped activities like football games, basketball games, student reports and teacher lectures.

Memories and Ho-Hi Life staffs were quite large this year. The editor of Ho-Hi Life, Susan Moon stated, "Without the help of Mrs Cynthia Lambeth, and my staff, I would have never been able to meet deadlines." The yearbook staff contained many seniors who couldn't wait to get it over with. Yearbook editor Senior Dana Hannigan stated, "The 1989-90 yearbook staff was slow in progress, but in the end it was well worth it." The Journalism classes, taught by Mrs Lambeth, weren't quite as large as last year.

Mr. Gephart returns to teach band

After leaving HHS to work on his masters degree, Mr. Jay Gephart returned for the 1989-90 school year. He immediately began to make the band an active group. For the percussion ensemble participation in the Roosevelt University Percussion Workshop; while the Jazz Band received a Division I rating at the Perry Meridian Jazz Festival. Also, on May 26 and 27 the band was invited to participate in the "Indy 500" festivities.

The club members also participated in the H. A. D. D. (Heroes Against Drunk Drivers) Conference in Indianapolis in October. The addition of the Grim Reaper to the Prom activities really made students take a serious look at the effects of drugs and alcohol. During the meeting for all prom goers a display of a casket, candles, and statistics were set up for the students view. The members donated \$418 to the Brian Frank Fund. Brian Frank was injured in a car accident in December. S. A. D. D. also donated \$1000 for scholarships and and \$50 for the attendance lottery. Senior Lorie Sadelack was the Presi-

Conference won by teams

The junior varsity football team ended with an 8-0 record and was awarded the Duneland Conference Championship. Great team work allowed the players to give up only 13 points on defense and score a total of 246 points. Juniors Ryan Thompson, Keith Slicker, and Craig Burrell, were captains of this winning team.

"This year's freshman football team learned how important it is to play together as a team. Individuals who can play together as

a team, not star individuals, find the road to victory. The team jelled together when some key starters were out with injuries. The team learned what it takes to win when faced with adversity," said Coach Bill Rich commenting on the 7-1 record for the freshman football team. Teamwork also brought it a Duneland Conference championship. Freshmen Aaron Burkhardt and Robert Segudovic were the captains.

The boys' tennis team finished the season with an 11-5 record. Coach Tom Wuchner said that his team had a lack of senior leadership that cost several matches but there was good development from underclassmen.

Highlights of the season were watching Senior Jason Gearhart develop into Northwest Indiana's premiere player. Gearhart was All-Conference and All-State on the second team winning Sectionals and Regionals in singles. He also was 17-4 for the season at No. 1 singles and was Hobart's first three time All-Conference member. Team awards went to Gearhart for Most Valuable, Junior Jeff Ma-

jowski for Most Improved, and Senior Jamie Lake for Brickie Pride.

The girls' tennis team ended its season with a record of 3-12. The team had two very close wins over Griffith and Calumet. Senior Laura Webber won the Most Valuable Player award and the Most Improved went to Sophomore Jenny Jolevski. Brickie Pride was awarded to Sophomore Sara Brandenburg. "With only one varsity player, Webber, returning, it was a rebuilding season. Very good growth. Should have two or three good years," said Coach Tom Wuchner. This was Coach Wuchner's final year with the girls team.

The 1990 baseball season was a rebuilding time for the young Brickie team. Through gradual play, the young Bricks' slowly improved as the season went on.

According to Coach Dwight Mathis, the highlights of the season were the 1-0 victory over Portage and a 11-9 comeback victory over a strong LaPorte team. Senior Jay Kopcha started pitching for the Bricks at the LaPorte game; Junior Jason Govert

relieved Kopcha and was given the win.

The Stickmen ended their season with a 11-0 record. Senior Jason Gearhart received the Most Valuable Player award and Kopcha was given the Most Valuable Pitcher award.

"This was a young team that progressed as the season went along. Good returning players for next season," said Coach Mathis.

Prom Spectacular presented by The Candle Glow Shoppe

*325 Main St.
942-5620*

Kirsten and her date Ed chose an arm bouquet. Soft peach roses nestled in iridescent baby's breath, lace, and bead completed her regal look.

The soft feminine look of Erica's dress was enhanced by Dan's choice of a nose gay with iridescent flowers. Ropes of pearls, long pink ribbons, and loops of white lace helped create that traditional "Prom" look.

All in silk, making them a keepsake forever.

*Let CANDLE GLOW

your Prom special!*

Eric chose for Shelby a small bouquet of 2 pearl edged flowers and spirals in stark white. What a unique accent for Shelby's short and bouncy dress.

The dramatic and sophisticated look of Bridget's teal dress was enhanced by Jim's choice of matching metallic flowers in a bed of white leaves and lace.

Michelle and Doug chose an elegant white lace fan. Fuchsia flowers and ribbon were designed to match the trim of her dress; creating for them an aura of "Gone With the Wind."

Well everyone, we finally made it! Through all the conflicts and the problems, we pulled through and finished the book. I can't believe the end is finally here. I look back to the beginning when I assigned positions. Next came the first deadline - I would have never made it without you Pam. Without your help, Mrs. Lambeth would've hung me by my toes! I learned a lot from you this year, but the main thing I learned is the meaning of true friendship. Nobody could ever understand my life better than you. Thanks for all the secrets, good times and support. Good Luck with everything and never let Cristina forget "Auntie Dana."

To Bridgett, I leave you my great job. It's tough and it takes a lot of patience but the feeling of accomplishment at the end of the year is well worth it! Unlike myself, you are pretty organized so you can do it! Good Luck!

To Renee, my crazy buddy! Thanks for working so hard and getting your section done. Good luck with everything and keep in touch!

To Angela, do me a big favor and become the person you should have been. You are a great friend! Good luck in life, I know you'll be successful!

To Jeannette, Becky, Cyndee and Mike, thanks for all your time and effort. To my photographers, Dennis, Jodi, Sue and Carrie, thanks for putting up with all the hassles and red ink!! Good luck to all of you!

To the last of my staff, it's a shame this had to happen. Juli, Tina, Jill and Dawn, I'm sorry you couldn't be more reliable. Thanks for giving me the raw end of the deal! Jill and Dawn, never forget Hebron, Mr. T's and Camelot, but mostly, never forget what you did to me!

And last but not least, Mrs. Lambeth. (Or should I say "Mom") thanks for all your help, support and understanding! For being so unorganized, I didn't keep us through June too long. I guess long enough though! I know to you this book isn't the best, but to me, it's the greatest and a big accomplishment! Thanks again to everyone!

To the Class of '90, I wish you lots of luck! I hope you enjoy your senior yearbook!

CONGRATULATIONS!!

I'll miss you all-

the 1990s, the number of people in the UK who are employed in the public sector has increased by 1.5 million, from 2.5 million in 1980 to 4 million in 1999. The public sector has grown from 10% of the economy to 15% of the economy.

There are a number of reasons for this increase. One of the main reasons is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.

Another reason for the increase in the public sector is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.

This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.

A fourth reason for the increase in the public sector is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.

This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.

A sixth reason for the increase in the public sector is the increasing demand for public services. The population of the UK is increasing, and the demand for public services is increasing. This is particularly true of health care, education, and social services. The government has responded to this demand by increasing the size of the public sector.
